

UFDC Museum Doll Wish List

The members of UFDC can be proud of Our Museum. We have continued to grow and refine our collection and continue to share the story of dolls with the world. But we do still have gaps in the collection that you may be able to help fill.

We are always looking to add excellent condition dolls to the collection to fill in these areas. We will always consider dolls that fit our mission statement and requirements.

Gifts of artifacts are tax deductible as allowed by law. For those wishing to make a gift(s) please contact the Collection Committee through the UFDC central office: Photographs and descriptions are of great help in assessing always generous offers.
